21 The government respectfully requests the Court to modify its August 7, 2013 Order setting the  
22 briefing schedule for post-trial motions. In its Order, the Court accommodated the government's request  
23 to continue the hearing on post-trial motions from August 21, 2013 to September 18, 2013. In the  
24 supporting stipulation, the government set forth the bases for its requested continuance, but failed to  
25 adequately tether counsel's prospective availability to prepare the government's responses to its  
26 requested briefing schedule. Lead counsel for the government, and the attorney responsible for  
27 preparing the post-trial briefing, has a pre-planned vacation and is scheduled to be out of the state from  
28

1 August 9, 2013 to August 17, 2013. The proposed briefing schedule was formulated in an effort to  
2 accommodate the pre-planned travel and allow for sufficient time to respond to the post-trial motions  
3 filed by the defendant.

4       Should the Court benefit from additional time to review the completed set of briefing materials,  
5 both parties agree and stipulate to continuing the hearing date from September 18, 2013 to September  
6 25, 2013. The sentencing hearing is currently scheduled for October 9, 2013.

7       Accordingly, the government respectfully requests that the Court set the following briefing  
8 schedule: the government's oppositions to the Rule 29 motion, the Rule 33 motion, and the motion to  
9 dismiss (Docket Nos. 158, 160, 161) are due August 26, 2013, any replies by the defendant are due on  
10 September 4, 2013.
